

OMNILIFT Operator Training Systems

Train the Trainer

If you are looking to start an in-house training program, or update your existing one, then register for this one-day "Train the Trainer" class. The course is designed for anyone who will train and evaluate lift truck operators, and covers proven classroom and hands-on training methods that are both effective and easy to use. You will be ready to guide your operators to safe and efficient performance. Participants who successfully complete the course receive a Training Certificate, a Lift Truck Operator Trainer's Guide and a Training CD, providing all the materials and documents needed to conduct OSHA compliant training, including:

- Operator's Guide
- Power Point Training Slides
- Written Test
- Training Record Documents
- Operator Evaluations
- Lift Truck Inspection Forms
- Warehouse Safety Audit
- OSHA 29 CFR 1910.178 Safety Standard
